PATIENT SECTION

PATIENT AUTHORIZATION AND RELEASE TO COLLECT, USE, AND DISCLOSE HEALTH INFORMATION

By signing below, **I agree** to allow my doctors, pharmacies, including my specialty pharmacy(ies), and health insurers (collectively "Healthcare Providers"), to use and disclose my health information to GlaxoSmithKline and its agents, authorized representatives, and contractors (collectively "GSK") so that GSK can use and disclose my health information for purposes of providing Gateway to NUCALA services, which may include the following activities:

1) Communicating with my Healthcare Providers about my NUCALA prescription and medical condition;
2) Investigating and resolving my insurance coverage, coding, or reimbursement inquiry, or reviewing my eligibility for GSK's patient assistance and co-pay assistance programs;
3) Contacting my insurer, other potential funding sources, and/or patient assistance programs on my behalf to determine if I am eligible for health insurance coverage or other funds;
4) Contacting me to offer (and, if I am interested, provide) optional case management and/or educational services offered by healthcare professionals; and
5) Disclosing my information to third parties if required by law.

By signing this authorization, **I acknowledge** my understanding that:

- My Healthcare Providers will not and may not condition my treatment, payment for treatment, eligibility for or enrollment in benefits on whether I sign this Patient Authorization.
- Certain Healthcare Providers, such as specialty pharmacies, may receive payment from GSK for disclosing my information to GSK as permitted by this authorization.
- Once information about me is released to GSK based on this authorization, federal privacy laws may no longer protect my information and may not prevent GSK from further disclosing my information. However, I understand that GSK has agreed to use or disclose information received only for the purposes described in this authorization or as required by law.
- This authorization will remain in effect for two (2) years after I sign it (unless a shorter period is required by state law) or for as long as I participate in the Gateway to NUCALA Program, whichever is longer.
- I have the right to revoke this authorization at any time by mailing a signed written statement of my revocation to P.O. Box 221797, Charlotte, NC 28222-1797, but that such a revocation would end my eligibility to participate in the Gateway to NUCALA program. Revoking this authorization will prohibit further disclosures by my Healthcare Providers based on this authorization after the date written revocation is received, but will not apply to the extent that they have already taken action in reliance on this authorization. After this authorization is revoked, I understand that information provided to GSK prior to the revocation may be disclosed within GSK to maintain records of my participation.

*The patient, or the patient's authorized representative, **MUST** sign this form to receive Gateway to NUCALA services. If an authorized representative signs for the patient, please indicate relationship to the patient.*

Optional: MyNucala Patient Support Program

GSK offers helpful services and resources to support you on your treatment journey with MyNUCALA.

GlaxoSmithKline (GSK) believes your privacy is important. By providing your name, address, phone number, email address, and other information, you are giving GSK and companies working with GSK permission to market or advertise to you across multiple channels, eg, mail, email, websites, online advertising, applications, and services, regarding the medical condition(s) in which you have expressed an interest, as well as other health-related information from GSK. GSK will not sell or transfer your name, address, or e-mail address to any other party for their own marketing use. For additional information regarding how GSK handles your information, please see our privacy statement.

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch or call 1-800-FDA-1088.

Patient Assistance Program (PAP)–Uninsured Patients

PATIENT TO COMPLETE

Uninsured patients who are prescribed NUCALA may be eligible for GSK's Patient Assistance Program (PAP). (Please note that this does not constitute health insurance.)
To find out if you qualify, please fill in the information below.

☐ **Enroll in PAP Program** **Annual pretax household income:** __________ **Number of family members living in household:** ____

PAP applicants are required to submit verification for all sources of household income at time of application, including a copy of one (1) of the following: most recent federal tax return, pay stub, W-2 statement, bank statement, or another source of income verification. This information will only be used to determine eligibility for the PAP. If you do not have one of the above-mentioned sources, please call 1-844-468-2252 for more information.
